Just got the new letter (attached) from Chairman Gowdy. Reaffirms their request from the first letter on travel documents for waiver authorization for premium travel and threat assessments that we had not provided. It also includes a new section asking for ethics information and documents on the condo lease agreement. They set an April 25th deadline in the letter.

Attached please find a draft supplemental letter that we would send to HOG R, along with the Concur authorization requests/approvals that Beth is pulling from the system.
